

Alger To Expand Political Program

"No new taxes and the modernization of the State Government" are the theme of Secretary of State Fred M. Alger in his drive for the Republican nomination for governor to date. In more than 100 meetings in all parts of the state Alger has stressed these points.

As the campaign enters the final weeks before the primary, Alger will expand upon his program. To date he has consistently assailed the program of the present administration which called for increased taxes all down the line he has charged. Alger has held that the Republican controlled legislature acted wisely in rejecting most of the financial program submitted by the present governor.

It was at no time a program devised by state officials, either legislative or executive, for the benefit of all the taxpayers of the state. Alger has consistently told the audiences. "Rather it was a program devised by Gus Scholle, the political boss of the CIO-PAC, and intended solely to benefit minority groups. Even the Governor made no attempt to force his program. He merely dropped in the legislative hopper and then rushed off to crown queens and call square dances."

Kiwanis Club Notes

Even File of Grayling, operator of amateur radio station W8DXJ, was the speaker at the regular weekly meeting of the Kiwanis Club of Grayling held Monday evening at the Lone Pine Inn.

File was introduced by club president, Floyd Davis who is also an amateur radio operator, and gave the call letters, W8DXJ. File began his talk by explaining the method that was taken to obtain a license from the Federal Communications Commission to operate a transmitter.

The first step in the license test is the code test in which the one seeking the license must send and receive at least 13 words per minute in code. A theory test follows which asks each one being tested to draw diagrams of transmitters and receivers as well as a myriad of other questions, the speaker said.

He estimated that there were about 80,000 amateur radio "hams" in the United States alone today. He delved quite deeply into the matter of amateur radio transmission interfering with radio reception and explained that every case could be cured but the fault lay with the radio and not the transmitter. He told of his experiences in the armed forces while studying the sending of code and later teaching it to other members. The meeting ended with an invitation from Club President Davis for the members to adjourn at his home where a practical demonstration of radio transmission would be carried out.

West All Stars Triumph 4-3

The West All-Stars won a close 4-3 decision from the East in the Annual North-Central-Michigan Baseball League All-Star game at Grayling last Sunday coming from behind to score three times in the ninth inning.

The West, composed of players from Grayling, Houghton Lake and Roscommon was managed by George Simons of Houghton Lake and started Blumenschein of Roscommon on the mound with Oliver of Houghton Lake behind the plate. Completing the starting team were: Ebert of Roscommon on first base; E. Horning of Grayling on second; Owens of Grayling at short; Brown of Houghton Lake on third; Sadjak of Grayling in left field; Simons of Houghton Lake in center and T. Horning of Grayling in right.

The East managed by Steve Sowers of Comins used Miller of Mio on the mound all the way with Knapp of Comins behind the plate, filling out the starting team were: F. Emig of Comins on first; A. Abbe of Comins on second; Russell of Mio on third; Ace Abbe of Comins on short; Sabourin of Rust in left field; Grosinsky of Rust in center and McGregor of Mio in right.

The West went down without a run in the first inning as Miller struck out Ebert, Brown and Simons in the first inning. The East drew first blood in the third inning when Emig led off with a double, went to third on an infield out and scored on a long fly ball. They held this 1-0 lead until the sixth inning when Sadjak walked after two were out and Simons poled a long triple to right scoring the first run to tie up the ball game. The Easterners took a 3-1 lead in the eighth after being held to a lone single in three innings of pitching by Detmar of Houghton Lake. He was relieved by Gildner of Grayling starting the seventh inning. They scored their two runs on a walk to Henry and a double by Dussan an infield out and a costly error. However in the last of the ninth, the West scored three runs when Gildner drove one of Miller's pitches over the center fielders' head with the bases loaded to score three runs and end the ball game. The inning started when Brown walked, Owens singled and after Grimes struck out, Gaylor was safe on an error to load the bases setting the stage for Gildner's long hit.

The totals: West 4 runs on 7 hits and 2 errors. East 3 runs on 7 hits and 2 errors. The umpiring was handled by Ray Cowell of Roscommon behind the plate, Red Jones former American League umpire worked first base and Ben Sherwood of Comins handled third. "Red" Jones appeared through the courtesy of the Pfeiffer Brewing Company of Detroit.

Next week league play will be resumed and will only two games remaining on the regular schedule Grayling and Houghton Lake are tied for top spot with a record of 6-2 with Roscommon one game behind with 5-3. Next week's schedule: Roscommon at Rust; Houghton Lake at Mio; Grayling at Comins. One injury ruined an otherwise perfect baseball afternoon when Detmar after giving up but one hit in his three innings on the mound was hit on the thumb by a thrown ball and had to be taken to the hospital for treatment. The extent of his injuries were not known at this writing.

2 Crawford Homemakers Attend Homemakers' Meet

Among the 1,100 Homemakers attending the "Homemakers' Convention" at Michigan State College, July 18-21 were two ladies from Crawford County, Mrs. Ace Leng of Frederic and Mrs. Lucile Munn of Lovells.

The delegates were housed in the new Robert Shaw Dormitory on the campus at Michigan State College. Many of the meetings were held in the Auditorium, near the dormitory. The ladies were gone from Tuesday through Friday.

The theme of the week's program was "Know Your Michigan." To carry out this theme various talks and discussions were given. Some of the highlights included "Michigan at Mid-Century," Professor Paul Bagwell, M. S. C.; "Know Your Michigan Geography," Prof. Edward C. Probert, M. S. C.; "Your Community Is Your World," Mrs. John B. Martin, Jr., President of the "Grand Rapids P. T. A. Council," "Know Your Michigan," M. D. Graham, Concord, Michigan.

Other special attractions on the general program were a demonstration "Ways With Cheese," Miss Evelyn Luessen and a discussion "The Well Dressed Woman After Forty," Mrs. Leona MacLeod. Tours of various sections of the campus were conducted each afternoon.

The delegates each attended special classes of their choosing. The Crawford ladies included Dramatics, Exhibits and Displays which tell a Story Good Design versus Home Furnishing and Family Relationship in their program.

A special banquet was held Thursday evening with "Michigan's Eddie Guest" as the speaker of the evening.

Mrs. Ella Wilcox went to Camp Huntington on Walloon Lake Tuesday to get her daughter, Nancy, who had spent the past month there.

Rain Hampers Fighter Squadron

The 172nd Fighter Squadron of the Michigan Air National Guard has been considerably handicapped by rainy weather since arriving at the Grayling McNamara Air Base last Saturday for their annual summer training program.

Low ceilings and thunderstorms in the area made a cancelling of air to air missions on Monday but 4 air to air missions were carried out Tuesday with one at high altitude. Scoring results were excellent, it was revealed by Major Ross Norwood, commanding officer of the 172nd.

A close call was had on Tuesday when an oil line on a fighter flown by Lt. Kenneth Drunkenbredt burst covering the windshield with oil and closing off all visibility. Capt. Howard L. Seeley flew beside Lt. Drunkenbredt all the way in to a landing instructing him by radio. Lt. Drunkenbredt made a perfect three point landing.

Brig-General Frederick R. Anderson, Commanding General of the Michigan Air National Guard arrived Tuesday on an inspection tour and was expected to stay through Wednesday when Major-General Benjamin S. Hoag of Washington and Lt. Colonel Walter Nicol, U. S. Asst. P. and D. O. are to arrive and present the Spatz Trophy to the 172nd Fighter Squadron as the outstanding tactical unit in the 66th Fighter Wing.

Despite rainy weather, training is proceeding smoothly at the Air Base due to planning by the officers in the past and due in part to the previous experience here of most of the members of the Squadron.

Girl Scouts Fly Here For Week

Twelve senior scouts of Detroit, their guide, Miss Madeleine Delorme of Pas de Calais, France and two scout leaders arrived at the Grayling airport Tuesday to spend a week camping out at Sunrise cabin, guests of Dr. and Mrs. W. B. Cooksey.

The girls were met by Grayling Troop Two in a model A car bearing a green and white sign "Welcome Girl Scouts." However transportation to Sunrise was furnished by Grayling Area Club president, Carol West, Fr. John Breitenstein and Alfred Sorenson.

The girls left Detroit in five planes at 9:40 and arrived at McNamara Field at 12:00. The planes were piloted by Mrs. Nelson Fisher, Mrs. Rosemary Ramsbock, J. Hadolin, manager Roseville airport and Ned Bailey of the Wayne Aeronautical school.

The group will be here until August 2nd and will cook all of their meals over an open door fire. They are real out door pioneer girl scouts in every sense of the word. They will be flown back by the same pilots and twelve more girls will arrive to carry out the same mission.

Miss Delebarre is a kindergarten teacher in France and will return to her native land in September.

MT. HOPE CHURCH NOTICE

Church services will not be held at the Grange Hall Sunday, July 30, but will be held at the usual time at Bradford Lake. Services will be preceded by a picnic.

The Indian Name, Shop-Pon-A-Gon

Gon was returned to Crawford County last Friday night at the Ottawa Indian Naming Ceremony in colorful fashion, when Roy Trudgeon, manager of Shoppensons Inn at Grayling was sworn in to the Ottawa blood brotherhood and given the name which signifies "Little Needle."

The name is of historic record here in Crawford County and Grayling through the famed Indian Chief David Shoppenagon, who died in Grayling on Christmas Day, 1911.

Trudgeon was one of six outstanding Michigan residents honored at the colorful pageant and naming ceremony.

Smoking the pipe of peace with Fred Ettawageshik, who as Chief Papi-Cua is leader of the Michigan Ottawas, as a symbol they had been admitted into tribal membership beside Trudgeon were: Alger Guhrman, executive of AC Spark Plug Corp. of Detroit; William J. Burns of Lansing, executive secretary of Michigan State Medical Society; C. P. Eskin of Detroit, director of the staging of the pageant, and Dr. Thomas Graham, and James H. Clarke, both of Harbor Springs.

The Ottawa Indian Naming ceremony takes place in a huge natural amphitheatre on the shores of Little Traverse Bay. Shoppenagon besides giving his name to the Grayling hotel, has a Manistee River landing named in his honor.

Chief David Shoppenagon

and several camps along the Auable and Manistee Rivers. There are many people in Grayling today who still remember Chief Shoppenagon who was noted for his knowledge of the woods and waters of this area and the wildlife. He was extremely helpful and friendly to the white settlers in this area surrounding Grayling.

Mary Martha Circle Meets

Mary Martha Circle of WSCS met at the Michigan Memorial Church Tuesday evening, July 18 with 28 members and 13 guests present.

Meet the Candidates

For County Clerk

This is the second in a series of life sketches of the various candidates for County offices which will be brought to Avallanche readers prior to the Fall Primary Election in September. This week's series covers Leo E. Lovely and Stanley Flower, the two men seeking nomination for the office of County Clerk.

Stanley Flower, Democratic candidate for the office of County Clerk was born on December 28, 1887, in Milwaukee, Wisconsin. He lived with his grandparents from the age of 5 until he was 20, when he left to go on his own. Mr. Flower received his high school education in Wisconsin.

He was married in that state and with Mrs. Flower moved to Michigan in 1915, where they have resided ever since. He was employed by the Michigan Central Railroad in 1914 before moving to this state and has been in their employ since that time. Mr. Flower pointed out that this continuous employment gives him a record of 35 years of office experience.

The Flowers moved to Grayling in 1929 and have made their home here since that time. He pointed out that he has been a taxpayer in Michigan since 1922. The Democratic candidate served one year as president of the Grayling Chamber of Commerce and has been a member of the Grayling Bowling League since it was organized.

Michigan Guard Proceeds With 1950 Field Training Plans

Despite the Korean war crisis and possible mobilization of the National Guard, Michigan's 46th Infantry Division and attached guard units are proceeding with plans for their fourth postwar field training encampment scheduled for August 12 to 26 at Camp Grayling, according to Major General Ralph A. Loveland, commanding general.

The 1950 encampment will mark the greatest concentration of troops and equipment in Guard history.

Approximately 8,000 troops will participate in the Grayling operation. Antiaircraft units from Detroit and the Upper Peninsula will train at the Camp Haven, Wisconsin, AAA firing ranges starting August 5.

General Loveland declared that the Korean crisis only intensifies the importance of the National Guard training program. Field training plans have already been approved by Federal authorities. Approved plans have been transmitted to all local unit commanders.

Michigan Guard troops were rated excellent to superior in their 1949 field training operations. General Loveland declared. Units this year will participate in more advanced tactical problems, including an all-division defense operation. Special emphasis will be placed upon the training of marksmen on Camp Grayling's outstanding small arms, mortar, and artillery ranges.

The National Guard is unique, General Loveland declared, in that it has a dual responsibility. In addition to its mission as a state security force the National Guard is designed to provide a trained force for rapid mobilization and expansion in time of emergency as a component of the U. S. Army.

Major General Earl S. Horn, special assistant for reserve forces to the Air Force chief of staff, has advised that he expects to inspect Michigan Air National Guard field operations at the Grayling Air Base on July 26 and to present the Spatz award at that time to the 172nd Fighter Squadron of Battle Creek.

The award is emblematic of the squadron's selection as the outstanding tactical unit in the 66th Fighter Wing during the past year. The trophy will be received on behalf of the squadron by Major Ross M. Norwood, Battle Creek, squadron commander. Approximately 300 airmen from the Battle Creek area will participate in the squadron's third post war field training at Camp Grayling.

Guide To Fishing

by JACK SCHWEIGERT
Roving Reporter

Greed has no place in fishing. Patience is the leading factor.

I have often said—if fishermen would spend about half of their fishing time on their tackle and approach they would still catch twice as many fish.

Leaders are as important as flies or bait, yet a lot of fish-

men tie the best fly on a heavy conspicuous leader. Dyed or colored leaders close out the light and are less noticeable to the fish. Some use powdered pumice or even Lava soap will help dull the leader.

Only use the length of leader you can handle, a nine foot leader is of no use if the fly settles seven feet from the end of the line. In using small flies to size 10, it helps to use a quick tapered leader, this is with the loop end tied from heavier material and letting out every other size of the regular tied leader. A double tapered leader of nine foot length works very good tied with these sizes. Loop end 0/x-3/5-7/5-9/5-1x-3x. It is a fact that more fish are frightened with the line than with the leader.

Most fishermen are doing good with hoppers. A few May flies are still coming out, but only a few caddis have been seen as they do not hatch out readily in foggy or damp nights. Stone flies and Alders have been hatching out, but they too are held back on cold nights.

The high points from the 26th to 29th are in the evening from 6 to 10 P. M. The fishing will be somewhat the same during the day for this week. Only with weather conditions favorable will good catches be made by the average fisherman.

Any question that you may have concerning fishing will be answered if you address them, "Guide to Fishing" Box 41 Roscommon, Mich.

A Pledge to the American People

by

The Great Atlantic & Pacific Tea Company

We will resist all unwarranted price rises with all our might.

We will make every effort to hold our inventories at the lowest point consistent with good service to our customers, because hoarding, whether by wholesalers, retailers or consumers, will cause higher prices.

We will continue to maintain the lowest profit rate generally prevailing in the entire retail industry. Our net profit now is less than one cent on each dollar of sales.

We will continue to strive for more efficient distribution.

We will fight waste of food, or time, or money all along the line so as to narrow the spread between wholesale and retail prices.

We will devote all our energies to giving you the most good food for your money every day of the week.

We will strive always to do what is honest, fair, sincere and in the best interest of our country and our customers.

As most of you know, this company and the low cost, low profit policies that built it are under attack.

We are defending ourselves against a suit brought by the anti-trust lawyers to put A&P out of business.

But the greater conflict in which our country is now engaged takes precedence over all else.

Today, with our boys fighting in Korea, we believe that all citizens and all businesses, big and little, should devote themselves wholeheartedly to the public interest.

We promise the American people that we will cooperate unhesitatingly with our national government in the present crisis.

We promise you that we will continue to do everything in our power to put more buying power in your food dollar and more good food on your dinner table.

Apathy Weapon

In an editorial on the Korean war, the Portland Oregonian, a newspaper of internationalist views, said, "The fact is that in Korea we are up against almost exactly the situation which confronted us in China so far as the people are concerned. The people are living under corrupt and ineffectual governments — ancient tyrannies masquerading as democracies. Down come the Communists from the north like the wolf in fable, and the sheep have so little to lose that they are indifferent. Why should they care who eats them?"

"If we are to oppose the aggressions of Russia, and still maintain our democratic policy of letting other peoples come to their own decisions, we can only lend ourselves to the parties in power in any country where the Russians choose to strike or bring pressure. So we lend ourselves in France, Turkey, Yugoslavia, Iran, Greece, Italy, though there are factors in the organizations of these countries which make the democratic flesh crawl. All over the globe history has tricked us into the position of supporting rotten regimes and stubbornly ancient economic organizations in the name of democracy."

This was inspired when the editor of the paper made telephone contact with an American in Seoul who is with the ECA. He said that, though he could hear the sound of artillery from the battlefield, the attitude of the people was "apathetic."

Here—in this apathy—is one of the strongest weapons the Soviet-controlled world possesses, and it is using it to the utmost. The Russians are masters at cashing in on it. With the aid of it, they have won victory after victory at a small cost. And there can be no doubt that they intend to go on, in an attempt to make all of Asia, including perhaps even the Philippines, a solid red bastion with huge reservoirs of manpower and natural resources.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVALANCHE OF 23 YEARS AGO

July 28, 1927

Some of the interesting events now occurring in China are likely to be witnessed by Clayton C. Sherman of Frederic, who was one of the latest men to leave this western base for service with the expeditionary force of U. S. Marines at Shanghai. Clayton was stationed at San Diego when he was selected for service abroad.

Junior Hanson is driving a new Nash coupe that is a beauty.

Mr. and Mrs. Louis Johnson and children left Saturday on a vacation to be spent in Detroit and Kalamazoo.

Jesse Sales of Detroit is enjoying a weeks vacation in Grayling. Mrs. Sales have been here for several weeks visiting her father, Lars Nelson.

Mr. and Mrs. Augustus Funck and family of South Branch expect to leave the latter part of next week on a motor trip through the western states. They will visit

the latter's parents at Mitchell Nebraska and expect to be gone a couple of months.

Post Commander Alfred Hanson and Harry Henningson of the local post were elected delegates to attend the annual state American Legion convention to be held in Jackson in August with Dr. C. J. McCann and Emil Giegling as alternates.

Alfred Hughes left Monday for Kenosha, Penna., where he has a position as filer with the Central Pennsylvania Lumber Co. Mr. Hughes has been employed by the Salling Hanson Co. the past 15 years.

Jess Schoonover has moved into his fine new garage on the corner of Cedar and Ogema Streets.

The new federal aerial landing field at T. Town is nearly ready for use. The land has been cleared of all trees, stumps and other obstacles and at this time federal surveyors are engaged in laying out the run ways.

The friends of Nina Peterson Tope will be pleased to learn of her marriage to Cass Chamberlain of Oxford that took place on Wednesday, July 20th.

George Olson, Tony Nelson and Carl Johnson left Monday to enjoy a fishing trip on some of the rivers and lakes in Canada.

Belle Shertz of Marquette visit-

ed Miss Mabel Brasie for a few days last week.

48 Years Ago — July 24, 1902

Delvan Smith has added greatly to the appearance and comfort of his home by the addition of a roomy veranda on both fronts.

F. H. Bradley has gone to Williamston to settle the estate of his mother recently deceased.

James Cassidy has entered the employ of J. H. Redhead and is driving Cedar on the North Branch.

Esbern Hanson had a lively tilt at Portage Lake last Monday. He was fishing for bass with a light steel rod in a light boat, when a pike took the hook and pulled his craft around in great shape. He is an expert angler and played him safely until landed. The fish weighed 14½ pounds.

E. N. Salling was in town last week just in time to see the wreck of the big mill stack and to eat trout with the boys when they returned from their fishing trip.

Governor's Office Cost Up 270 Per Cent

The same inflationary trends that have affected Michigan utility rates have been reflected in costs of operating state departments. S. L. Marshall member of the state utilities commission says. As an example, he points out:

For the fiscal year ending June 30, 1940, the Governor's office spent \$46,100.66. The Michigan legislature appropriated (Pub. Acts 1949, No. 299, Page 506, for Governor Williams and his staff \$124,710.00 for the fiscal year which ended June 30 1950. That's an increase of over 270 per cent."

Join To Promote Recreation

Ten departments of state government are to join in promoting greater use of Michigan's recreational facilities, particularly those of the out-of-doors.

Named as administrative officer of the Inter-Agency Council on Recreation is Edwin G. Rice, former Michigan resident who for the last two years has been director of physical education and

health in the Greenwich, Conn., public school system. Announcement of Rice's appointment is made by the council's chairman, P. J. Hoffmaster, conservation department director.

Representatives of state departments of public instruction, health, conservation, police, highway, welfare, and others have been laying the groundwork for the council's future activities over a four-year period. Dr. Eugene B. Elliott, former state superintendent of public instruction, is credited with having given the council idea its original impetus.

Take Your Choice

Bitling around last Friday evening, the talk turned to the best way of getting to sleep when it seems you just can't. "The way I always do," says Sandy Johnson, "is to breathe the dog and make believe I'm a ton."

"Just throw away the pillow—it works every time," says Buzz Ellis. When counting sheep come up, right away with the question: What kind of sheep?

From where I sit, you could argue 'til Doomsday and never get complete agreement on a lot of things. Now, take me, I'm all for

having a glass of beer or ale on occasion. Your "sociable beverage" may be a "Coke"—or buttermilk or maybe a cup of hot coffee.

But enjoying our preferences is a right in this country and each of us is entitled to his own. The important thing is to respect that right in the true democratic spirit of understanding! As a matter of fact, what a tiresome old world this would be if we all did have the same likes and dislikes!

Hoffmaster said:

"Primary purpose of the council is to better define the duties and responsibilities of these governmental agencies in promoting greater use of recreational facilities and to pool their efforts and activities. During meetings over a period of several years it has become conspicuous that a need exists for furthering of recreation, especially in the out-of-doors. The state has many facilities and there are many people who are in need of them."

"The problem, then, is to promote the greater use of these facilities. The W. K. Kellogg Foundation has seen the merits of such inter-departmental integration and as a result has appropriated \$15,400 to cover expenses of an administrative officer and some incidents during a two-year period."

Born in Mohawk, in Michigan's Copper Country Rice is 43, and holds graduate degrees from Columbia and New York Universities. He was a lieutenant commander in the Navy in the last war and saw service in the Pacific. He has had broad experience as a camp director and in public schools in the east. He assumes his new duties August 15.

Crawford County Wheat Loan Rate Is \$1.98

A basic loan rate for the 1950 crop of wheat produced in Crawford County of \$1.98 per bushel was announced this week by the Production and Marketing Administration county committee. Last year's rate was \$1.94 per bushel.

The basic rate applies to wheat grading U. S. No. 1. Mr. Hummel, committee acting chairman points out. Wheat produced on farms co-operating in the 1950 wheat acreage allotment program grading No. 3 or better, or No. 4 or No. 5 because of test weight or because it contains wheat of the classes durum and/or red durum, will be eligible for Commodity Credit loan or purchase agreement. The chairman says that a schedule of premiums and discounts for the various qualities of 1950-crop wheat will be issued at an early date and will be available for inspection at the county PMA office in Gaylord.

To be eligible for the loan, wheat must be placed in approved storage either on the farm or in a commercial warehouse or elevator, according to the chairman. He points out further that storage allowances will be continued for the 1950 crop wheat on the same general basis as last year.

Mr. Hummel explains that the county rate is based on a national average rate of \$1.99 a bushel to farmers as announced by PMA on June 30. The equivalent national average rate for U. S. No. 1 wheat is \$2.00 per bushel.

The Agricultural Act of 1949 requires that the price of 1950-crop wheat be supported to farmers at 90 per cent of the parity price on July 1, 1950, the beginning of the marketing season. Mr. Hummel reports that the July 1 wheat parity price was \$2.21 a bushel. For the same date last year the wheat parity price was \$2.17 per bushel.

Loans and purchase agreements will be available from CPC through PMA office.

Permission for the purchase of Michigan Public Service was given by the state public service commission, late Monday, in Lansing, Michigan Public Service will hold a stockholders meeting in August to prepare the transfer of stock and other purchase arrangements.

Testimony by officials of the Consumer's Power at the Monday

hearing was that the Public Service Co. rates are \$811,000 more a year than those charged equivalent customers of Consumers, but an estimated \$5,000,000 must be spent in rehabilitating "substandard equipment" over a three-year

period so not quite all the saving can be passed along to customers in the new territory.

visees, legatees and assigns, de-
fendants.

Order for Publication
Suit pending in the Circuit Court
for the County of Crawford, in
Chancery, on the 17th day of July,
1950.

On reading and filing the Bill
of Complaint in said cause and the
affidavit of Roy Newberry attach-
ed thereto, from which it appears
to the Court that the above named
defendants, Franklin B. Ward,
trustee for Henry C. Ward and
Henry C. Ward, and their un-
known heirs devisees, legatees and
assigns, are proper and necessary
parties defendant in said cause;
and that after diligent search and
inquiry it cannot be ascertained
and is not known, whether said
defendants are living or dead, or
where any of them may reside if
living, and if dead, whether they
have personal representatives or
heirs living or where they or any
of them may be, and that the pre-
sent whereabouts of said defend-
ants is unknown, and that the
names of the persons included
therein without being named, but
who are embraced therein under
the title of unknown heirs, de-
visees, legatees and assigns, can-
not be ascertained after diligent
search and inquiry.

On motion of Charles E. Moore,
attorney for plaintiffs, it is order-
ed that said defendants above

named and their unknown heirs,
devisees, legatees and assigns,
cause their appearance to be en-
tered in this cause within three
months from the date of this or-
der and in default thereof, that
said Bill of Complaint be taken as
confessed by said defendants and
their unknown heirs, devisees,
legatees and assigns, and

It is further ordered that plain-
tiffs cause a copy of this order to
be published in the Crawford Awa-
lanche, a newspaper printed, pub-
lished and circulated in said
county, such publication to be
continued therein once in each
week for six weeks in succession.
John C. Shaffer,
Circuit Judge.

Countersigned,
Leo E. Lovely,
Clerk of the Court.

Take Notice that this suit, in
which the foregoing order was
made, involves and is brought to
